

Lino Lakes Regulations

These Regulations have been taken directly from the city's website. Information deemed reliable but not guaranteed. Please consult government websites for most current regulations.

Sign Ordinance Regulations

Must be on the property being sold. Not allowed in the right-of-way.

Septic System Regulations

City inspects newly installed septic systems. Also conducts complaint basis inspections.

Requires inspection and pumping of existing drain-field septic systems.

Special Regulations

Occupancy certificates are required for residential, commercial, industrial and institutional construction.
