

How to change Supra KeyBox settings

Here are a few settings you can change on your Supra KeyBox:

- Custom Access Hours
- MLS ID and Address
- Add your Business Card
- Display a 'Note' to the agent
- Attach a Flyer

How to change settings on a Supra KeyBox:

- Open the eKEY application
- Tap on *Obtain Schackle* and release the schackle for the KeyBox
- Select *Inventory* to see a list of KeyBoxes.
- Select the serial # of the KeyBox from the list.
- Select the *Edit* button.
- Select the field you want to change; update the information.
- Select *Program*.
- Enter the current shackle code for the KeyBox and select *Begin*.
