Sign Ordinance/Septic Regulations

Big Lake

Real estate signs are permitted, must be no larger than six square feet in size and must be at least one foot from the property line or right of way. Such signs must be removed within 7 days of the sale or lease of the property.

Directional signs are not permitted on public property, but are allowed on private property with the consent of the owner. Such signs must be at least one foot from the property line or right of way.

Septic System Regulations

Where a public sanitary sewer is not available under the provisions of this Chapter, the building sewer shall be connected to a private sewage disposal system complying with the rules and regulations of the City, State, and Pollution Control Agency. No new private sewer systems or sewer system extensions shall be constructed within the City without first obtaining written approval of the system plan and the materials to be used in the construction of the system, designed by a designer licensed by the Minnesota Pollution Control Agency.
