Sign Ordinance/Septic Regulations

Minnetonka

On-site real estate signs are permitted, provided that they are no more than 6 square feet in area and 6 feet in height. One sign is permitted per property, and must be taken down within 7 days of sale or lease.

Off-premise signs are permitted provided that:

- they are placed at least 5 feet from the edge of the street,
- there is no obstruction or driver visibility at intersections,
- they are not placed in the right-of-way of County, State, or Municipal State-Aid streets,
- there is only one sign placed in an intersection per listing, and
- permission must be received from the property owner.
- Such signs are only permitted on Saturday and Sunday from 12pm to 6pm each day.

Septic System Regulations

Follows MN Rule 7080.
