

Local & Regional Regulations

Sign Ordinance/Septic Regulations

Red Wing

Permitted provided that they are limited in number to one per zoned lot (except that two shall be permitted on corner lots, one facing each street), do not exceed twenty-four square feet in area, are not closer than eight feet to any adjoining lot, are not higher than six feet above the ground and do not project beyond the property line.

Septic System Regulations

Septic systems are regulated by Goodhue County.
