Sign Ordinance/Septic Regulations

Robbinsdale

According to the city of Robbinsdale "Building Code" signs erected for the sole purpose of sales or rental of property, structures, or space are permitted in all zoning districts, provided that the sign is erected on the premises to which the sign refers.

The sign may not exceed one quarter square foot of sign area for each foot of property frontage, along which the sign is to be erected, up to a maximum size of 25 square feet in area. Only one real estate sign may be erected along each street frontage.

If the sign is erected as a free standing sign, it may not exceed four feet in height and must be securely anchored to prevent its dislodgement by normal wind pressure.

The sign must be removed within seven days of sale or rental. The signs are not included in the maximum number of signs allowed under subsection 410.09.
