Septic System Regulations

The city adopts and incorporates by reference Hennepin County Ordinance Number 19, Individual Sewage Treatment System Standards for Hennepin County. After October 1, 1973, any structures situated on property from which sewage is disposed and abutting a portion of the city public sanitary sewer system shall be connected to the public sanitary sewer system, and any such structures not so connected by October 1, 1973, shall be completely disconnected from the private sewer system, and such private sewage disposal system shall be filled or otherwise abandoned in a manner approved by the city.
