

Local & Regional Regulations

Sign Ordinance/Septic Regulations

Vadnais Heights

Temporary real estate signs adjacent to the public right-of-way for the purpose of selling or leasing individual lots or buildings shall be permitted, provided:

Such signs shall not exceed 6 square feet per side for single-family residential property and 32 square feet for nonresidential property and multiple-family developments of four or more dwelling units.

Only one such sign is permitted per street frontage upon which the property abuts.

Septic System Regulations

The City follows MN Rule 7080.
