YOUR DISPLAYKEY IS RETIRING!

Action Required: Your DisplayKEY will be disabled November 10!

Key Conversion Event-October 12th-November 6th, 2020

Choose the eKEY to use with your Smartphone or the new XpressKEY

Schedule your virtual appointment to make the move to Supra eKEY app

Your virtual activation appointment will be a two-hour window where a Supra representative will contact you to activate your new key. You will need to be available during the appointment time you select.

Once your new Key is activated your DisplayKEY will stop working and you will use your new Key to access lockboxes.

The Supra eKEY® app

- No need to be in cellular coverage to open lockboxes once the eKEY app has been updated
- Use your smartphone and carry one device
- Integrated data at the door
- Apple Watch compatibility
- Biometrics and daily PIN
- Showing detail reports
- Authorization code improvements
- Monitor your showings on your listings in the eKEY
- Track your lockbox inventory
- Ability to change your PIN code & lockbox shackle code.
- Agent Alert – Alert message

IMPORTANT!

- Do not schedule any showing appointments during your appointment time. Your current key will be disabled during your appointment duration.
- Make sure to download the Supra eKEY App for the App Store or Google Play **prior** to your activation time.
- Review and know what eKEY service level option you want.
- Know what **PIN code** you want – we can make your PIN code the same as your existing DisplayKEY.
- Have your form of payment ready at the appointment time you selected to activate your new Key.
- Drop off your DisplayKEY and cradle next time you come by the office. (Please contact your association for hours).
